PLANT EXPLORATION
AND INTRODUCTION
Rec'd MAR 15 1935
Answered

Seedlings and Divisions of Perennials and
Rock Garden Plants for Lining Out or Potting.

PRICES: \$1.00 per 100; \$8.50 per 1000, except where noted. 25 or more plants of a variety take the 100 rate; 250 or more the 1000 rate. Less than 25 plants supplied at an advance of 50% over the 100 rate. These prices cancel all previous offers. Prices are not prepaid and if orders are to be sent parcel post, sufficient postage should be included with the remittance to cover forwarding charges. Allow 10¢ for the first 100 plants, and .05¢ for each additional 100, for distances up to 500 miles. For greater distances allow slightly more.

PACKING: Orders are packed in light-weight containers and are guaranteed to arrive in good condition. No charge made for boxes and packing.

SHIPPING: Always state method by which you want goods forwarded. Otherwise we will ship according to our best judgement.

STOCK: All plants offered are large, stocky and well-rooted plants. In the event that any stock does not meet with your entire approval, we will make adjustment to your entire satisfaction.

VARIETIES
